TO WHOM IT MAY CONCERN,

Christian Child Care International is a charitable organization that has been serving the poor in developing countries for twelve years. Healthy Smiles for Haiti is one of the Ventures that we are helping to fund. Our web address is [www.ccare.net](http://www.ccare.net) if you wish to find out more about our organization.

Georgina Cosentino is a "Preventative Dental Assistant" and has been working in the field for over thirty years. A big part of the work that she has been able to do through Healthy Smiles for Haiti has been to educate the people on the benefits of proper dental care. During her visits to Haiti she has been able to visit schools and other organizations.

Through her work with Healthy Smiles for Haiti, Georgina has been able to make twelve trips to Haiti to date. When she travels she takes with her hundreds of pounds of donated dental supplies. On one occasion Healthy Smiles was able to fill and ship two transport containers of supplies to Haiti.

Healthy Smiles for Haiti was instrumental in helping a dental clinic in Les Palmes, Haiti to become operational. The dentist there Dr Francky Dieujuste, works with an assistant and has been able to serve over 400 patients since the Concert Action Clinic opened in June 2004. They operate with many challenges and without the donations from Canada the Clinic (which serves a number of communities) would not be able to operate.

The Christian Child Care International charity number is xxxxxxxxxxxxxxxx . If you require any more information please give us a call or check out our web site.
